

Program Industry Days, September 11-12, 2019

Wednesday, Sep 11, 2019

The Industry Days program runs for two days, and includes tutorials (best of academic CLEF output), talks by industry representatives, a panel by distinguished experts on data science in Europe and a keynote by Dr. Martinez from Signal AI. There is ample room for networking and social contacts, including a reception on Wednesday evening. Details of the full conference, also open to industrial attendees are at the bottom of this document.

12:00 — 13:30 **Welcome Reception Industry Days**

13:30 — 15:00 **Plenary Session: Panel on “Data Science in Europe”**

Moderation: Martin Braschler, ZHAW, Switzerland

Participants: Dorian Selz (Squirro), Kornelia Papp (SwissRe), Doug Oard (University of Maryland), Reinhard Riedl (National Research Council of the SNSF)

15:00 — 15:30 **Coffee Break**

15:30 — 16:00 Martin Braschler, ZHAW, Switzerland on "CLEF Tutorial for Industry"

Room: Auditorium

16:00 — 16:30 Mark Cielibak, SpinningBytes/ZHAW, Switzerland on "Do You Have to Read All Incoming Documents?"

Room: Auditorium

16:30 — 17:00 Silvio Arcangeli, SAP, Switzerland on "Operationalizing and scaling Machine Learning for real-life usage in enterprise contexts"

Room: Auditorium

17:00 — 17:30 Jussi Karlgren, Gavagai, Sweden on ""Thresholds for adopting systematic evaluation benchmarks in industrial settings"

Room: Auditorium

18:30 — 21:00 **Civic Reception**

An aperò will be served in Villa Ciani, Parco Ciani, Lugano

Thursday, Sep 12, 2019

09:00 — 10:00 **Keynote Talk**

Chair: Martin Braschler, ZHAW, Switzerland

Speaker: Miguel Martinez, Signal AI

Analysing the world's news: Learnings and challenges from industry

Room: Auditorium

10:00 — 10:30 **Coffee Break**

10:30 — 11:30 **Best of CLEF for Industry**

Chair: Gundula Heinatz Bürki, Data+Service Alliance, Switzerland

Room: Auditorium

Henning Müller, Applied University of Western Switzerland, Switzerland

ImageCLEF - benchmarking multimodal image analysis and retrieval

Alexis Jolly, Inria/LIRMM, France

LifeCLEF: Biodiversity Identification and Prediction Challenges

11:30 — 12:00 **The Future of CLEF**

Speaker: Nicola Ferro, Università di Padova, Italy

Room: Auditorium

12:00 — 13:30 **Lunch**

13:30 — 15:00 **Best of CLEF for Industry**

Chair: Melanie Geiger, Data+Service Alliance, Switzerland

Room: Auditorium

Lorraine Goeriot, Université Grenoble Alpes, France

What can CLEF eHealth bring to the industry?

Francisco Rangel, Autoritas Consulting, Spain

PAN Shared Tasks for Industry: Experiment Platforms and Author Profiling

Ali Hürriyetoğlu, Osman Mutlu, Koc University, Turkey

ProtestNews: Cross-context Event Information Collection from News

Speaker: Nicola Ferro, Università di Padova, Italy

15:00 — 15:30 **Coffee Break**

15:30 — 17:00 **Industry Talks**

Chair: Martin Braschler, ZHAW, Switzerland

Room: Auditorium

José Iria, Mobiliar, Switzerland

Information Access Problems in Life Insurance

Alireza Ghasemi, ELCA, Switzerland

Insight Extraction from Unstructured Data: Opportunities and Challenges

Christoph Glauser, ArgYou, Switzerland

Live Monitoring for Jungfrau-Region

17:00 — 17:15 **The Future of CLEF/Industry Involvement**

Chair: Martin Braschler, ZHAW, Switzerland

Room: Auditorium

17:15 — 17:30 **Plenary Session: Closing**

Chair: Fabio Crestani, Università della Svizzera italiana, Switzerland

Room: Auditorium

Full Conference Schedule Sep 9-12

Attendees of the Industry Days are welcome to attend the full academic conference. Attractive registration bundles are available.

	Monday	Tuesday	Wednesday	Thursday	
8:30	Registration	Registration	Registration	Registration	
9:00	Keynote Talk (Croft)	Keynote Talk (Neuman)	Plenary Session 6: Other Evaluation Initiatives, In Memoriam	Keynote Talk (Martinez)	
9:30					
10:00	Coffee Break	Coffee Break	Coffee Break	Coffee Break	
10:30	Plenary Session 1: Lab Presentations	Plenary Session 5: Conference Papers	Plenary Session 7: Conference Papers	Plenary Session 8: Best of CLEF for Industry
