# Shared Tasks at PAN

# Shared Tasks at PAN

# Shared Tasks at PAN 2020

## 1. Cross-Domain Authorship Verification

Given two documents, determine if they are written by the same author.

## 2. Style Change Detection

Given two consecutive paragraphs, determine if there is a style change.

## 3. Analysis of Fake News Followers on Twitter

Given tweets of an author, determine their fake-news likelihood.

## 4. Celebrity Profiling: Influencer Edition

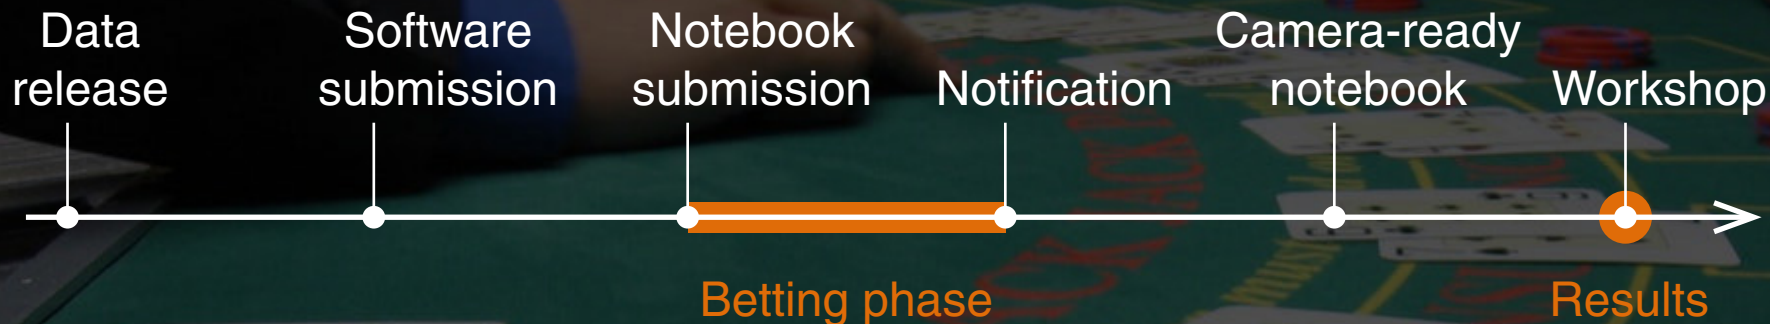

Given tweets of followers, determine the demographics of the followee.

... plus one more thing

# Science Betting

# Science Betting

## Rationale:

1. read notebooks
2. understand approaches
3. assess their effectiveness

## Bet on ...

- rank:  $A_x$  on 3rd place
- partial order:  $A_x \succ A_y$
- effectiveness:  $F(A_x) \geq 0.8$
